

2009 Josef's Annual Fashion Awards Show

Every year our students past and present get a chance to locally show their talents and creativity in a pre-judged runway show. Last year's Jafa was bigger and better than ever and this year will blow you away! With over 200 models, you will see women and men's cuts and color, make-up models and of course, the show-stopping Avant Garde models.

Our theme this year is Josef's-Remember our Name. For our Jafa kick-off, Josef's students and models recently had a private viewing of the movie FAME with a presentation of models by the Josef's instructors for ideas, styles and looks. We have several fun additions to our show so you won't want to miss the production.

This year we are proudly awarding the student or alumni with the highest judges' score an ALL EXPENSE PAID trip to the [Goldwell Academy in Baltimore](#) thanks to [Aerial](#).

Alumni– here's what you need to do: Find a model, do a killer cut and color and plan on hanging out with us all day on November 6. Judging starts at noon. Contact Elaine at 701-306-6306 or contact us via Josef's School of Hair Design on Facebook. Deadline is Friday, October 23.

Interested Josef's Applicants – Contact Ms. Heather (235-9910) for a scheduled tour of either the Fargo, Josef's West or Grand Forks school between now and noon on November 6 and receive a FREE ticket to Jafa!
